It is with great excitement to share the news that 99.7 The River will be returning for our annual **Stuff The Truck Pallet Challenge Saturday, Dec 5th at Save-On-Foods from 9am-5pm.**

Stuff the Truck is The River's week to give back to Campbell River and use the power of radio to raise food and cash donations benefiting our local food banks. Last year our generous donors purchased 20 PALLETS, worth over $10,000! We were absolutely blown away! With our community's support the shelves were stocked for the holiday season!

This year we want to ensure they stay filled so we're opening up our ***Pallet Challenge*** early to anyone that wants to get in on the action ahead of December! Oh, and did we mention we want to tell Campbell River that YOU'RE involved? That's right we're amping up our airwaves in November with all our early birds who purchase a pallet now with jock talk, name mentions, social media, and we'll add your logo (or name) to our website for Stuff The Truck! Like last year, we invite you down to Save-On-Foods on Dec 13th to have your picture taken with the pallet for our social media.

What is the Pallet Challenge?

Great question! Pallets contain a selection of 'most used' items. These items can include flour, toilet paper, powdered milk, canned goods, toiletries etc...basic household items that some families struggle to afford. All of these goods are packed onto a pallet, which when fully loaded weighs 1,000lbs!

Businesses, local organizations, and private donors are invited to step up to accept our Pallet Challenge and purchase a pallet (or more) at a cost of $500 per pallet. You can even challenge your friends or other businesses! We've attached a Payment form if you wish to donate.

Please fill out and return to Nikki Hilton @ nhilton@vistaradio.ca

Thank you for your generous support!!
